2006 Compensation Study Order Form

PUBLICATION (prices include tax)	Member Price	Nonmember Price
----------------------------------	--------------	-----------------

<p>TSAE 2006 Compensation Study: A report on executive and staff salaries, personnel practices and fringe benefits, categorized by budget classification and association type.</p>	\$162.38	\$216.50
---	----------	----------

This is the ninth in a series of surveys on association compensation and benefits practices. Compensation is reported for positions in trade associations and professional societies in all budget sizes. The positions defined for the survey include the chief paid executive, the deputy chief paid executive, staff specialists, and clerical positions. The compensation breakdowns are by budget size, association type, and regional location.
